HOW DO WE SELECT OUR STALLHOLDERS?

We are aware that there are a number of stallholders offering the same or similar products. While we do tend to work on a "first in, best dressed" rule, we also take largely into account the location of the stallholder, product quality and experience for the customer. Preference is also given, where possible, to local individuals, organisations and businesses. Council attempts to avoid duplications of products sold, however exclusivity is not guaranteed. No preference is given to previous stallholders.

Applications will not be considered if relevant paperwork is not attached - Currency and Food Handler Certificates (if required)
